Table with multiple columns and rows, likely a data table or spreadsheet. The table is extremely narrow and contains dense, illegible text. The header row is highlighted in yellow. The table appears to be a list of records or a data log.

Table with multiple columns and rows, containing a large volume of data. The content is illegible due to the high resolution and density of the text.

Detailed Report Header											
Category	Item ID	Description	Quantity	Unit	Value	Cost	Profit	Status	Date	Location	Notes
[This table contains numerous rows of data that are too small and dense to be transcribed accurately. It appears to be a financial or operational report with columns for categories, item IDs, descriptions, quantities, units, values, costs, profits, statuses, dates, and locations.]											

Table with multiple columns and rows, likely a data table or spreadsheet. The content is extremely small and dense, making individual entries illegible. The table has a header row and several data rows, with some yellow highlighting in the header and footer areas.
